EXCELLENCE

Marshall County High School's basis for achievement was established in 1974-75. In the 10 years that have passed, Marshall County's symbol, the Star, has become a standard of excellence throughout the region, as well as the state. Many different forms of excellence can be found throughout the school:

★ Senior Mark Tichenor was selected Paducah Area Youth Leader of the Year out of nearly 170 students representing over 20 area high schools, marking the second consecutive year the honor has gone to an MCHS student.

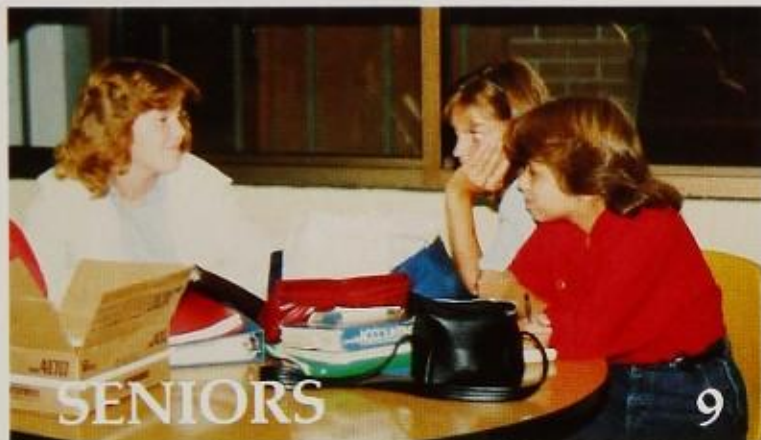

★ The Marshall County Marching Marshals, who marched in the 1983 Tournament of Roses Parade, marched in the 1984 Macy's Thanksgiving Day Parade.

★ The Marshall County girls' and boys' basketball teams posted a combined record of 63 wins and 5 losses in 1984, with two district championships and two regional championships. The girls' squad also won the state championship for the second time in three years.

★ Seniors David Roberts, Keith York, and Kevin Henson were semi-finalists in the National Merit Scholarship competition, based on P.S.A.T. scores.

The Star is truly the "Brand of Excellence."

WE ACHIEVE . . .

Mr. Brooks congratulates Mark Tichenor on receiving the Paducah Area Youth Leader of the Year award.

Mrs. Ross, outstanding state media person for '84-'85, helps Jeff Ross with a newspaper article.

The Marching Marshals performing style won them an invitation to Macy's Thanksgiving Day Parade.

Barry Goheen adds points to the score at the Sweet 16.

PURSUE . . .

The pursuit begins with the long ride to school. Kathy Culver, Steve Poole, Tish Usher, Arisa Travis, Barry Conner, Lisa Sirls, Sandy Odom, and Karen Brandon share a light moment.

Melinda Elkins uses her French horn as a prop while she and other band members concentrate on music theory.

Dictionary use is a common practice for Tammy Morgan, Kelly Hamlet, Roger Morrison, Brad Ross, Kelly Hresko, and Wayne Jenkins.

Robert Fulton, Mikel Green, Ronda Lyles, and Ronald Myers seek knowledge from *The Light in the Forest*.

Kelly Howard and Tina Vazquez master computer principles.

The joy of learning is shown by Ray Byers, Joey Gamble, Jimila Cash, Darrell Lovett, and Patrick Lovett in Mrs. Lita Edwards' English class.

DISPLAY EXCELLENCE

Sherie Smith listens to the applause at the conclusion of "Enchano."

Jamie Jenkins leads the Deputies as they perform at half time of a home ballgame.

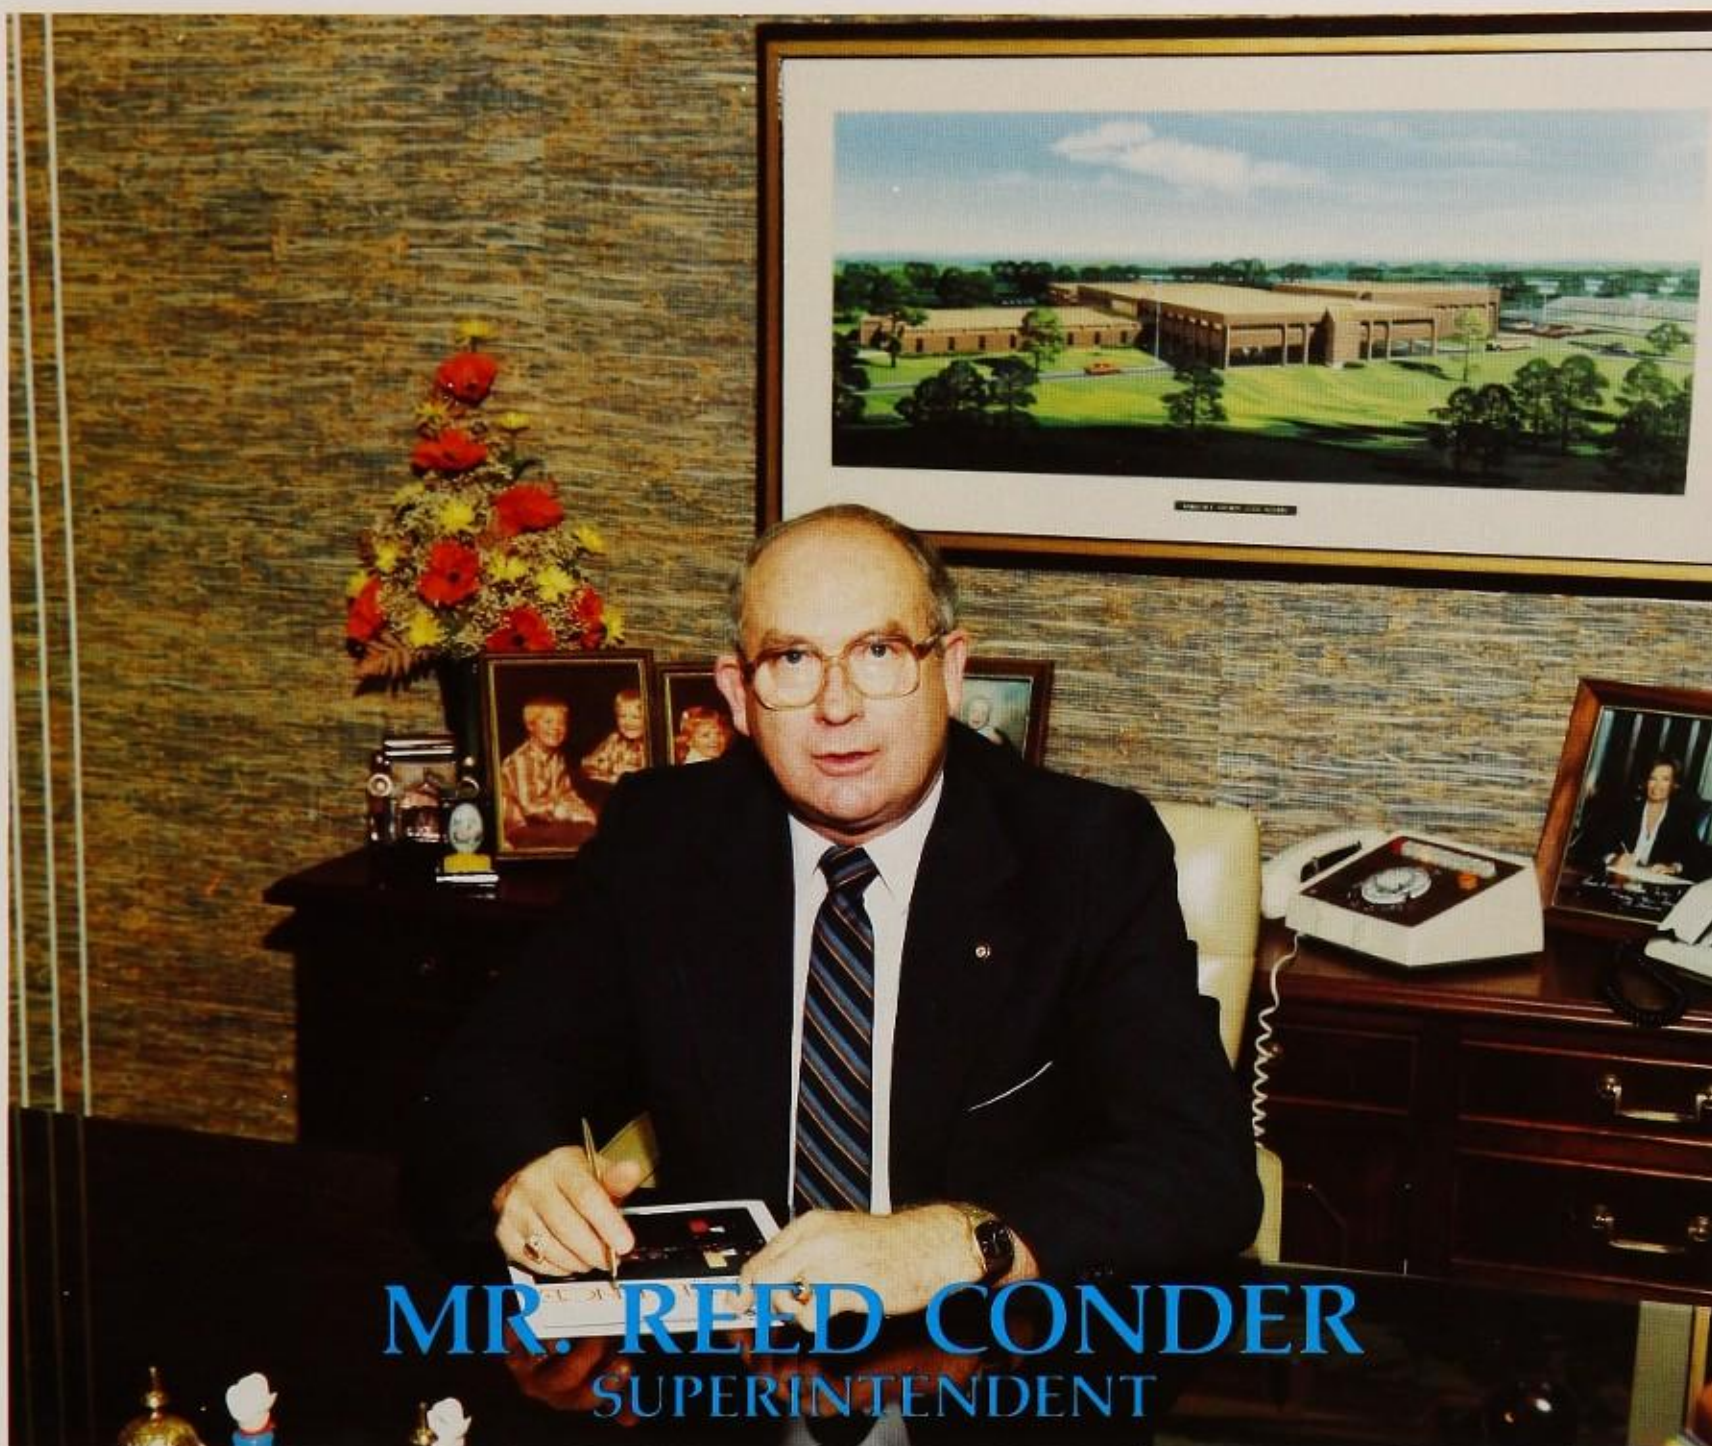

Jeff Smith gains yards against Lone Oak in the Homecoming game.

Shayne Wilkins, Brett Larimer, and Kevin Filbeck closely follow the action of their teammates in the Sweet 16 Tournament while the crowd creates a sea of orange.

IN MEMORY

Jeff T. Swift

JEFF "Pudder Duck"

Jeff was a dear friend to many of us. Most of his friends called him Pudder Duck, a nickname he had had since second or third grade.

Jeff loved sports. He attended most all of MCHS basketball and football games. He loved playing basketball while he was at South Marshall Jr. High. Jeff also liked to rabbit hunt during the winter.

I will always remember the fun Jeff had his last day with us. We went swimming in the pool at the Village Inn. Afterwards we went to Wonder Waters and went down the water slides. It was his first time, and he said he liked it.

I am so glad Jeff had fun that day.

We all miss Jeff very much. It's just not the same without him.

Joey Gamble

SCHOLASTIC EXCELLENCE

M.C.H.S. HONOR STUDENTS

Maintaining a 3.5 grade point average is extremely difficult for today's high school student. Yet, not only have several 1985 M.C.H.S. seniors accomplished this; but, going into their final semester, eleven of these seniors held a perfect 4.0 standing.

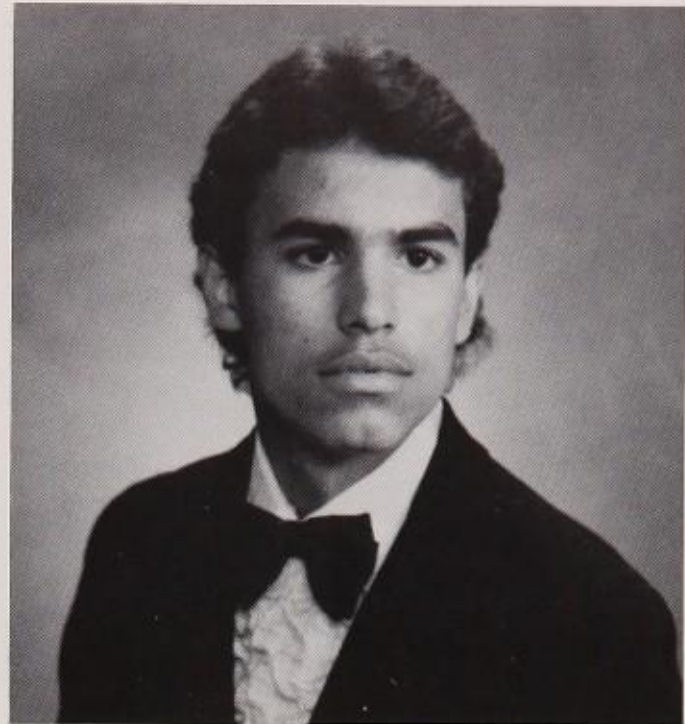

The Marshall County Academic Team once again competed on the K.E.T. Scholastic Challenge, proving again that Marshall County High School's academics are superb.

CHESS CLUB

The main objective of the Chess Club is to teach chess, plain and simple. The club not only teaches the fundamentals to beginners but also provides the first step toward mastery, and that step is practice. Unlike many other games in which a winner depends primarily upon the laws of probability, chess is devoted entirely to thought. Unfortunately, most people regard chess as a confusing game with many complicated rules. This is a myth. Chess is certainly an intricate game, but it is far from confusing, and its rules are elementary. Any individual has the capacity to play, and any player has the potential for mastery — if he is willing to practice. Thus, the principle goal of this club is to assure that every member shall leave the club with a better understanding of chess.

FRENCH CLUB

French Club is growing at Marshall County High School, thanks to rising foreign language enrollments.

Each year, French Club co-sponsors several social get-togethers with Spanish Club, including banquets at which student-prepared foods of the respective cultures are served.

French Club will celebrate Mardi Gras as usual, and it will continue to promote cultural awareness of its members. The Foreign-Language Festival in Murray is a highlight in the spring.

Besides social and academic goals, the club — also has a community project, which this year is to donate funds from moneymaking projects to the Exceptional School, as well as a first national project, a donation to the Statue of Liberty Fund (France's gift to the United States in 1884.) Also, French Club hopes to make another gift to our MCHS library collection this year.

Second, they traveled to the Ohio County Band Competition and won first place in class 4A, Reserved Grand Champions, best colorguard, and best drum majors. Third, they traveled to Memphis to compete in the Middle Tennessee Marching Band Contest and won second place in their class, Reserved Grand Champions, best soloist, best colorguard, best brass and best drum majors. Next, they traveled to the Christian County Marching Contest and won first place class 4A, Reserved Grand Champions, best soloist, best colorguard in class 4A, best colorguard overall, best brass in class 4A, best brass overall, and best drum majors. The band was also chosen to participate in the Contest of Champions in Murfreesboro, Tenn. and at the Festival of Champions at Murray. The band traveled many places and won numerous awards and continued to add to their great collection of trophies, honors, and most importantly, memories. Now you know why everyone says "Nobody (but Marshall County) does it better."

REMEMBER . . .

When school started they practiced after school on Monday, Tuesday, and Thursday. Sometimes, if necessary, they practiced on Saturday.

The new band room is a big improvement over the old one.

In addition to the band's trip to New York this year, they also received a new band room that was desperately needed. This building is located on the south end of the school. The new band room is bigger and better and can seat 200 band members comfortably on the top floor. All the band members, as well as the school, are proud to have this new facility.

Jill Thomas wraps up from the cold New York wind.

A colorguard member marches with pride.

The band pulled out of the parking lot Nov. 18 at 7 a.m. They spent all day traveling. The night was spent in Cambridge, Ohio.

Nov. 19, they left Cambridge, Ohio around 7 a.m. That afternoon was spent visiting Hershey World in Hershey, Pennsylvania. They spent the night in Allentown, Pennsylvania.

Nov. 20, they arrived in New York City around noon. After getting settled in their rooms, the students met with their group leaders, which were two sets of parents chosen by Mr. Pettigrew to chaperone them around the city, to visit South Street Seaport. This was a harbor where seafood was famous. At 3 p.m., NBC and Macy's officials came to the Vista International, where the band was staying, to watch their practice. That night, the band went to Radio City Music Hall to see the Rockettes perform.

Nov. 21 was spent in the tour groups of 10 students and 4 adults. They walked around New York City and did some shopping. The hot spot for shopping seemed to be Macy's Department Store. The store has nine floors and has everything one could possibly think to buy.

That night, the students and others along on the trip had a fancy, \$25-per-person meal in the Greenhouse Room of the Vista International. Each student was asked to go to bed early because the next day would come early.

Nov. 22 was Parade Day! The band members had to be in the lobby of the hotel at 3 a.m. From 5 a.m. to 6:30 a.m. was a rehearsal of the street performance.

The band was aired on T.V. around noon. They were the finale band which brought in Santa Claus. This was a very prestigious place to be. It was very cold that day but the students slowly warmed up as they saw some of their favorite stars pass before them. Being last meant they saw how the whole parade formed. After the parade, they left New York City enroute to Washington D.C.

Nov. 23 was spent sightseeing the capital city. Everyone got to tour the White House and see many of the famous monuments such as the Jefferson Memorial and the Lincoln Memorial. That night Congressman Carroll Hubbard visited the band at the hotel where they were staying and talked to them about the parade and how proud he was of them.

Nov. 24 was spent touring the Capitol thanks to Congressman Carroll Hubbard, who set up the tour. The last stop before leaving Washington D.C. was the Smithsonian Institute. They spent approximately four hours there and then left for Abingdon, Virginia, where they spent the night. Nov. 25, excitement was in the air because they were enroute for home. They stopped for lunch in Nashville, Tenn. They arrived in the parking lot here around 6 p.m. A warm welcome waited them.

BANK OF A LIFETIME

FOR A LIFETIME OF SERVICE

A full life is marked not so much by days and years as by events. Life's turning points — a first date, graduation, marriage, the birth of a child, a new job, a new home, unforgettable travels — these are the eventful moments that give texture to a life.

Not all of life's milestones are happy to be sure. But we can identify with the memorable events of a lifetime. We know and understand the hopes, the joys and the concerns of people. Because we *are* people. We know what people need. It's more than checking and savings and loans...it's understanding. It's permanence. And we're the Bank of a Lifetime.

The official practice pose of the National Honor Society officers.

THE YEAR IN REVIEW ACTIVITIES '85

The Marching Marshals practice their show for Macy's Thanksgiving Day Parade.

The "Voice of the Marshals," senior Jeff Parker, prepares to broadcast another basketball game.

The school's largest club, the Pep Club, assembles for its monthly meeting.

Barry Slayden "marries" Stephanie Harris in Adult Living. Brian Green, Dale Spencer, and Jeff Smith admire the bride and groom.

ATHLETICS 85

Rona Poe dribbles around a defender as Melissa Edwards (40), Cindy Stowe (30), Mary Taylor (42), and Starla Waldrop (21) watch. The Lady Marshals were champions of the girls' LIT in January.

The intensity of Marshall County football is shown in the faces of Assistant Coach Jim Shelton and Head Coach "Doc" Sanders (with headphones).

Coach Stephen Son and the Marshals' soccer team nervously prepare for the Owensboro Tournament, in which they finished second.

John Solomon battles Wingo's Forrest Woodfork. The Marshals took home the 4th place trophy at the boys' LIT in January.

Assistant Football Coach Lenny Jezik conducts the pre-game workout.

ACADEMICS '85

Although most of the class is absent, the work goes on in Mr. Levan's Typing class.

Walking down the stairs everyday can become monotonous for students like Paula Phelps and Virginia Boaz.
